IF YOU ARE WORKING
TO UPHOLD THE
STATUS QUO YOU'RE
A COP.

REVOLUTION IS
INEVITABLE.

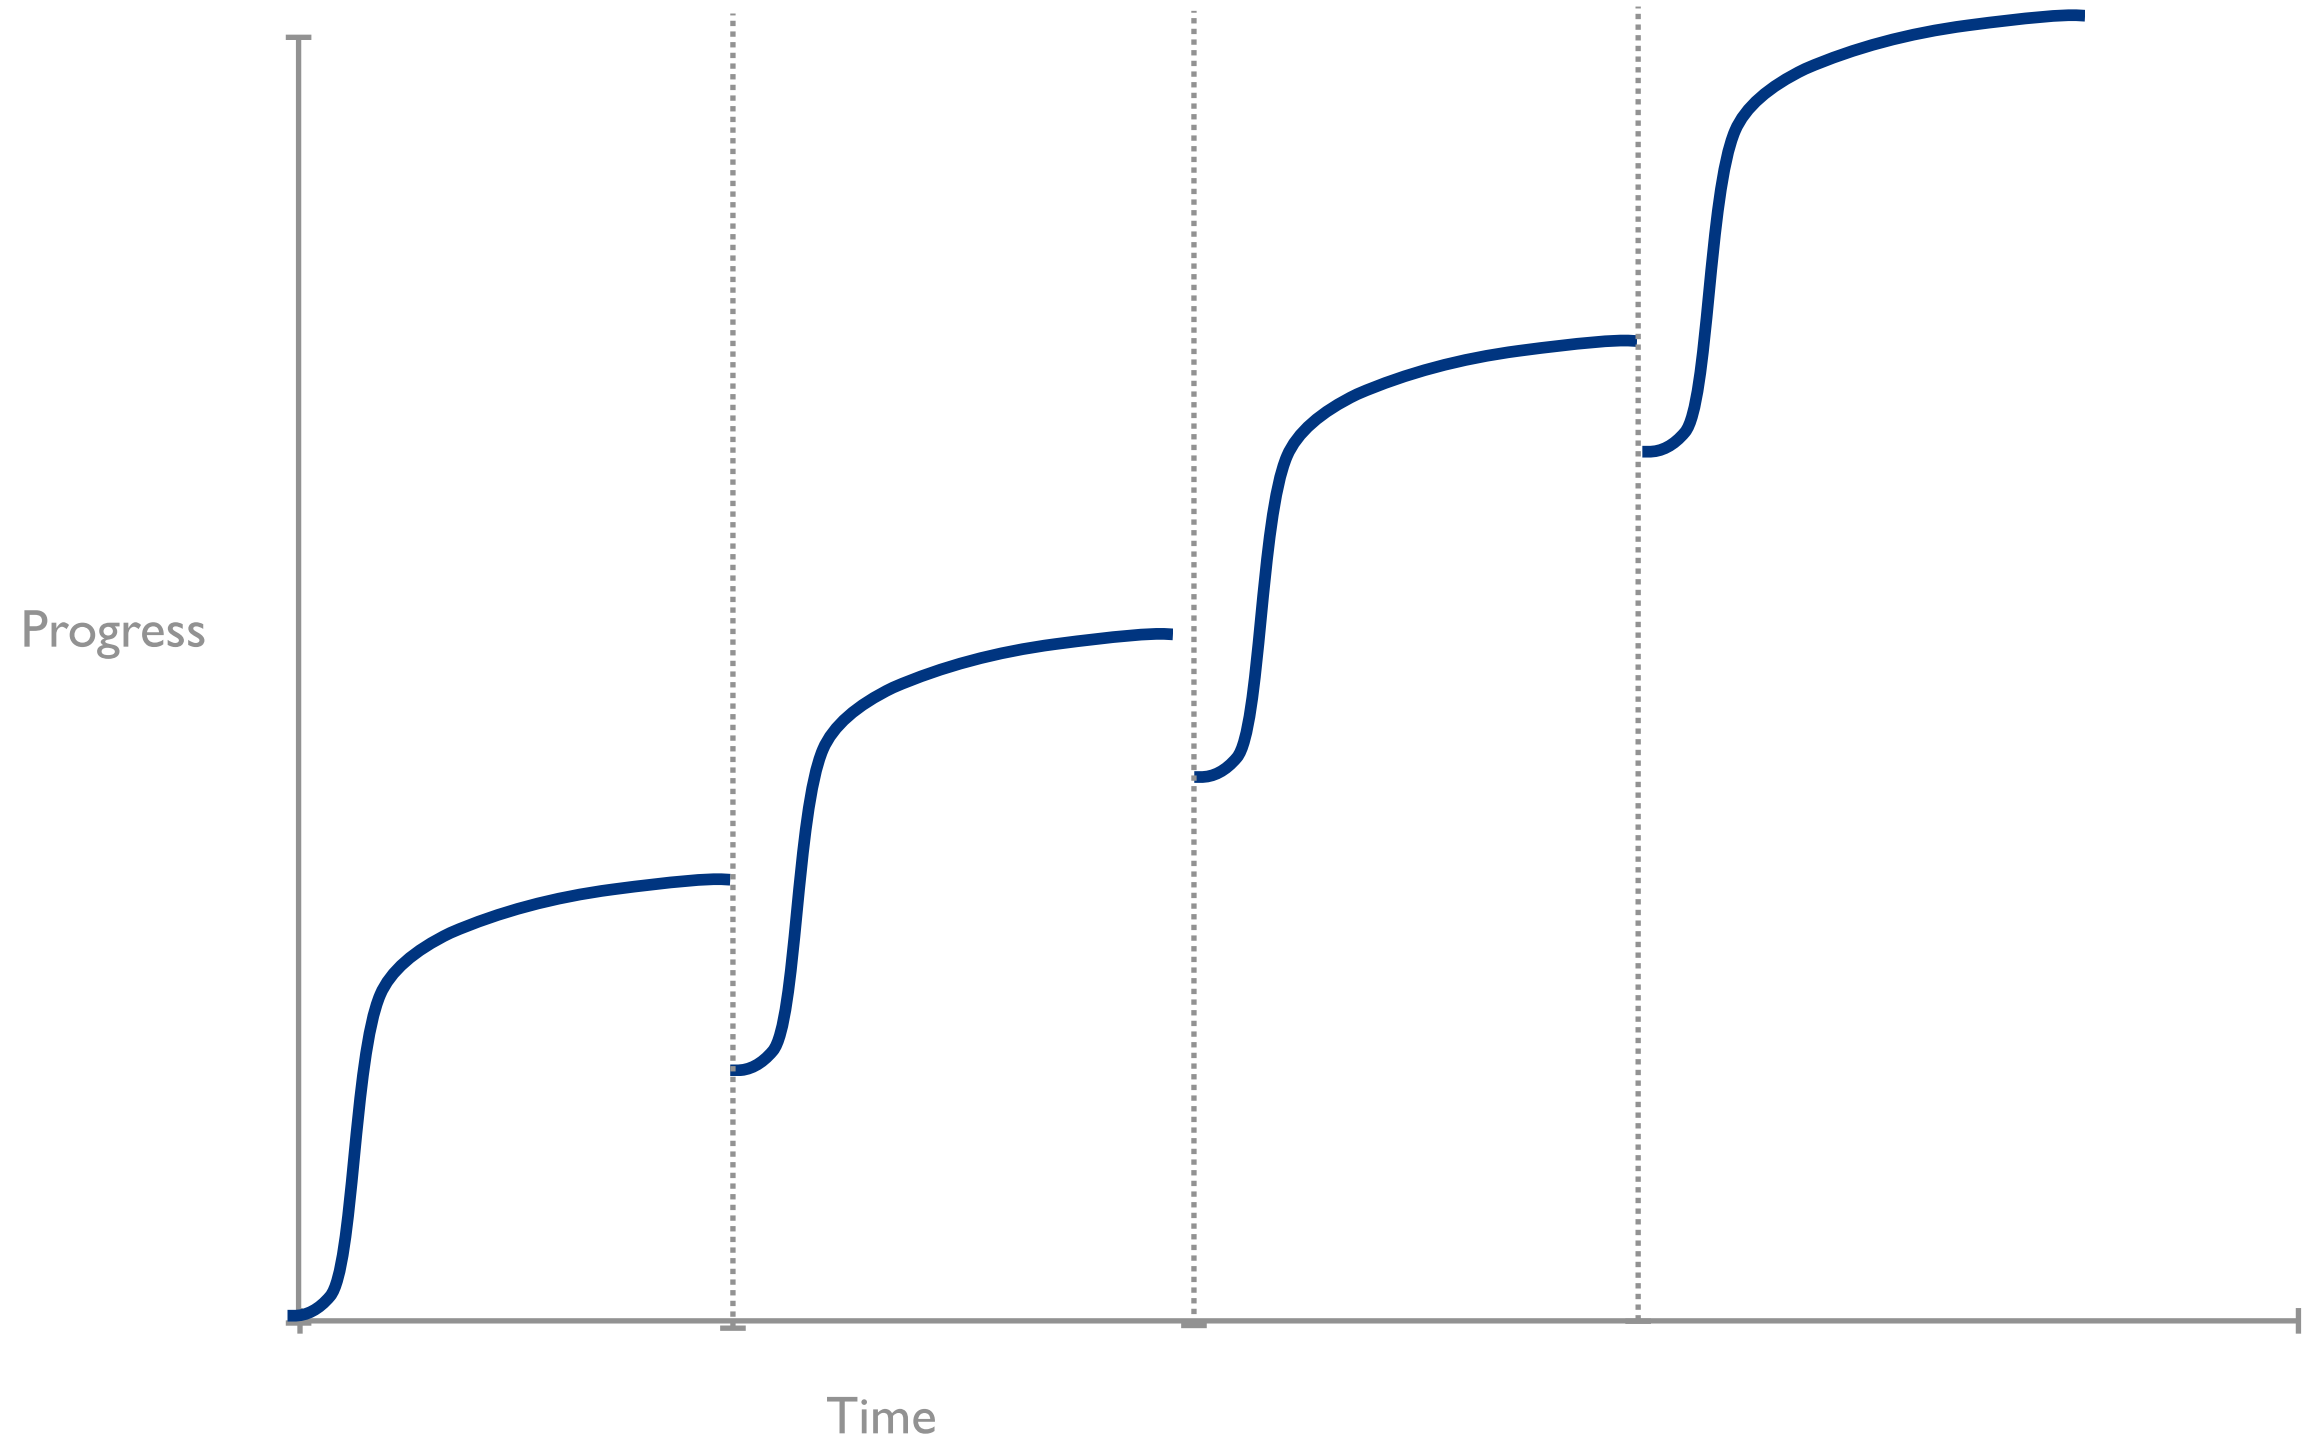

BECAUSE
INNOVATION

INNOVATION
IS CYCLES OF
REVOLUTIONS AND
REFINEMENTS

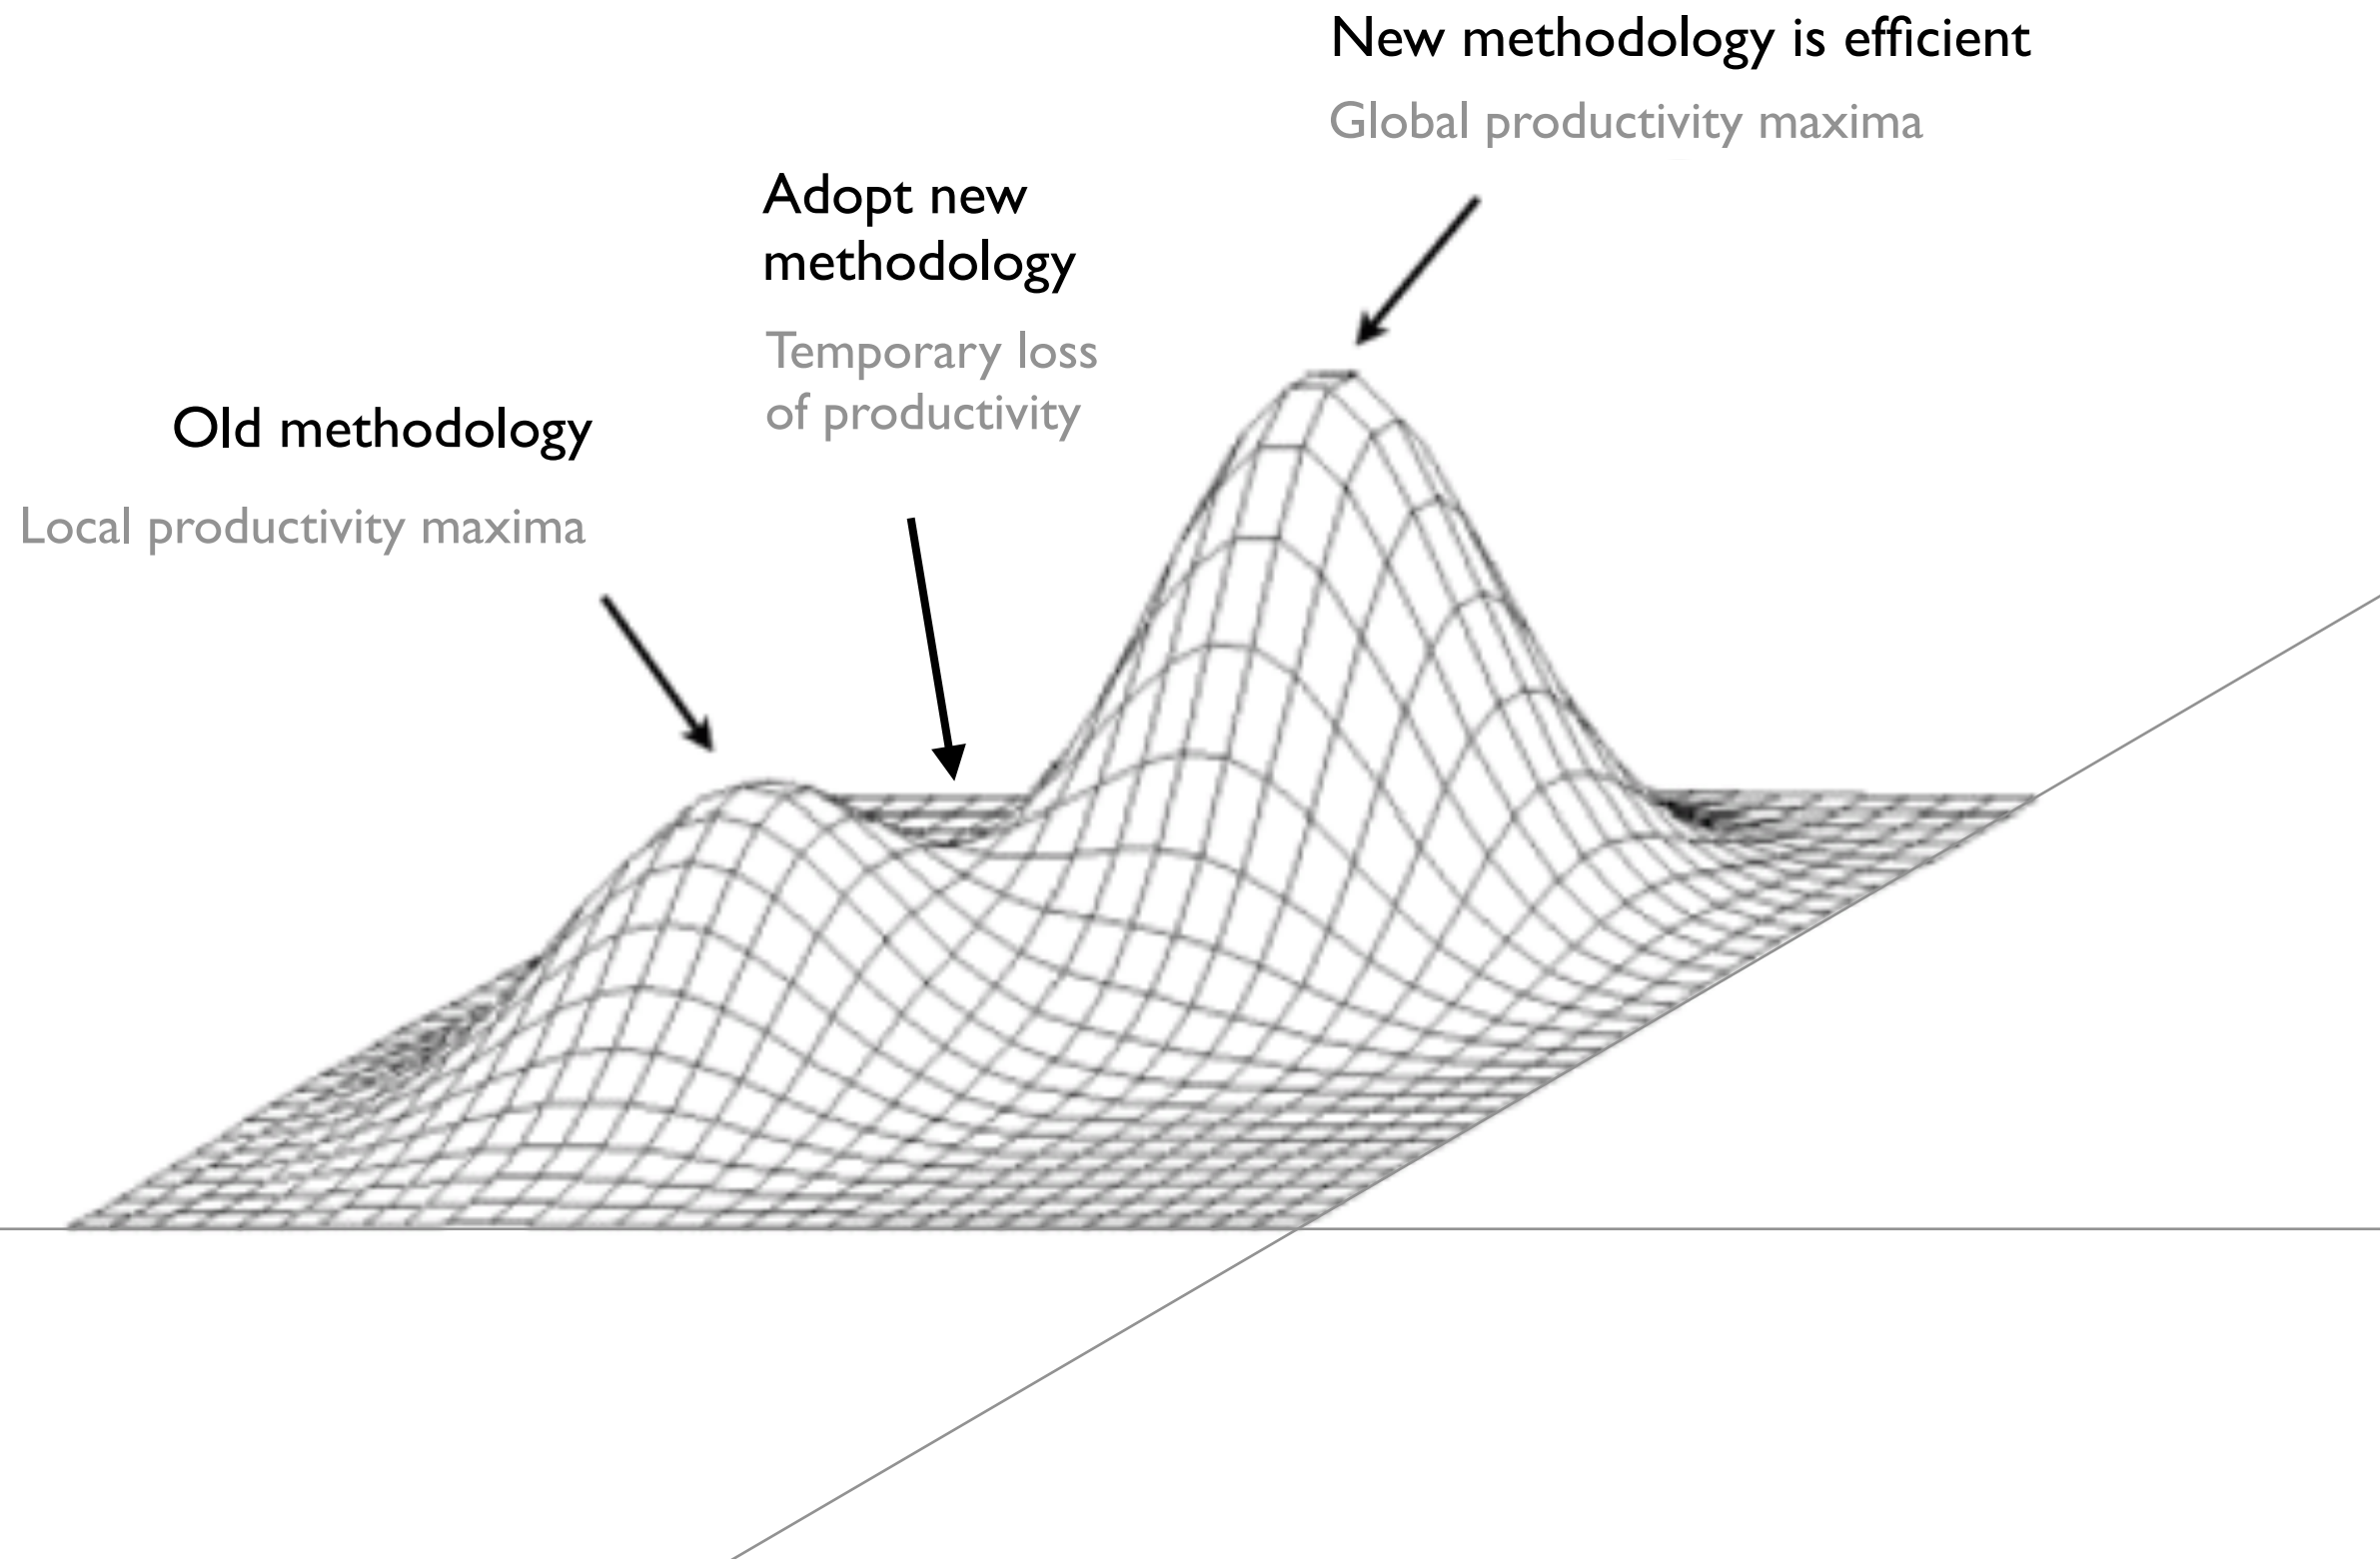

INNOVATION CYCLES

INNOVATION CYCLES

COST OF INNOVATION

WAR IS HELL

WE LIVE IN AN
UNPRECEDENTED
ERA OF PEACE,
PROSPERITY AND
PRODUCTIVITY

REACT WILL BE
AROUND FOR
A LONG TIME

BECAUSE COMPONENTS

INTEROPERABLE COMPONENTS
ARE AN INNOVATION PRIMITIVE

PROGRAMMING MODEL
CAN OUTLIVE PLATFORMS

THERE'S SPACE TO INNOVATE

SO WHAT ABOUT
BEST PRACTICES

I WAS PROMISED
BEST PRACTICES

**GIMME THEM
BEST PRACTICES**

DO WE NEED
BEST PRACTICES?

WHAT ABOUT
SUSPENSE?

WE NEED BEST
PRACTICES FOR
WRITING CODE
THAT IS RESILIENT
TO DISRUPTION

THE NEW BEST PRACTICES

BUILD BIG THINGS
FROM SMALL THINGS

WRITE CODE FOR
HUMANS FIRST

STAY CLOSE TO
THE LANGUAGE

ALWAYS PREFER SIMPLICITY

DON'T BREAK THINGS

KEEP AN OPEN MIND

Guillermo Rauch ✓

@rauchg

Following

React is such a good idea that we will spend the rest of the decade continuing to explore its implications and applications.
